INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Dear Sir :-

In Re- Application No. 44456, Lucinda Hilton ,

I, in reply to your letter of the 10th, am constrained to say ; that I was never enrolled because my husband "Smith" my first husband, would never allow me to call myself a Cherokee , then since that time through ignorance and neglect I have let it go from time to time.

2. My mother ^{Permelia Ann Murphy} was a half blood, white and Cherokee, she married a white man ^{Short}, and he would not admit of her having anything to do with the Indians, then when my father died she thought it unnecessary she had a home and money.

3d. My Grandmother ^{on mother's side} was an Indian full blood Cherokee, named Tomkin, married Murphy ^{on mother's side} a white man I think she and her folk were enrolled. and back of them was Breedlove.

4th. I know nothing of the treaties of 1835- 6 and 1851.

5th. the ancestor thru whom I claim is "Mildred Tomkin" , a Cherokee, who married Breedlove, white, and lived at Warsaw, Illinois and Afton , I.T.

6th, I pass as white as I am only quarter blood Cherokee.

7th, My ancestors were none of them slaves .

Lucinda Holten, after being first duly sworn, deposes and says:

I am 44 years of age; was born in Saint Clair County, Mo. I claim Cherokee Indian blood through my mother, Parmelia Murphy. I first heard of my Indian blood about 20 years ago. My mother told me. She said she was a half Cherokee but she did not claim it and did not want us children to have anything to do about it because my father objected to it. My mother never received any Indian money from the government and never tried to get any. I never tried to get an allotment. This is the first effort I ever made to get Indian money or land. My grandmother was the Indian. I never saw her. She lived and died at Warsaw, Mo. I think my mother said she got some Indian money. I never heard my mother say where she lived about ten years before the war. My mother never lived with the Indians nor did my grandmother.

Muskogee, Oklahoma, January 25, 1909.

Mr. Guion Miller,
Special Commissioner of the Court of Claims,

Sir:

Replying to your letter of January 8 (W. E. A. 44464-135), asking to be advised as to the enrollment numbers of John Spade and his son, Ned or Cau-tas-kee Spade, you are advised that as the name John Spade appears several times on the rolls of this office, it was necessary to communicate with your applicant before replying to your request for information.

A reply from him having been received, he is identified as John Spade listed on Cherokee Doubtful Card No. 3161, and the records show that the application for his enrollment as a Cherokee citizen was denied on December 13, 1906.

You are further advised that there is no record of any application for the enrollment of Ned or Cau-tas-kee Spade.

Hon. Guion Miller,

Sir:

You may remember something about my case. My son Cau-tes-kee or Ned Spade roll number 25172 got his emigrant money and I did not get mine, because you left me off of the roll. There are two John Spade's in the same neighborhood and you enrolled the other John Spade but left me off. I want this matter straightened up as I am entitled to my part of the Cherokee Emigrant money as much as my son is entitled. My son gets his right to that money through me as his mother is a white woman. Please let me hear about this matter at once.

Yours Respectfully,

Dear sir, in reply to your letter, asking me why I my parents and grand parents, were never enrolled. Ned Christial my grand father was on the roll was paid at Fort Snider, so I am told. They would not enroll colored people at that time on the trille roll, and that is the reason my mother is not on the trille roll. my grand father Ned Christial and great grand father Wat Christial were parties of the treaties. 1835 - 1836 and 1846. The name of my ancestor through whom I claim is Ned Christial. who resided in Bir Lucie District. from 1835 up to his death. Madam:

Relative to your application for participation in the Eastern Cherokee Fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Dear Sir

In answer to your letter of Questions concerning my Eastern Cherokee right. Why I or my Parents and Grandparents were never enrolled I was like my Parents. had given up hopes of receiving what I thought was my right and not knowing how to apply. or who to get to apply for me. until I heard of Anderson P. Cagle agent. and was notified I could yet apply. And as far as my Grandparents in their days there was no allotments. but lived any place and as for Slaves. As far as I know there was none. They lived any place they could stop but the name of my Ancestors whom I claim under Fairlines Indian name. Mary Elizabeth Pyle was my Fathers Mother before her marriage to Pyle was Mary Elizabeth Marryhaus, English. Indian name Fairlines. Grandmother was in Ky somewhere. in

the years 1835-36. but was not living in 1837. She died in the year 1846. she claimed to be a $\frac{1}{2}$ Blood Cherokee Indian. I pass in the community in which I live as white and Indian as I show the race. I do not deny my race of people. I never will. I could not say if any of my Ancestors were parties to the treaties or not. But with all probability my Great Grandmother Menoyhaus by marriage but was Fairlines Indian name. might have been a party to the treaties. She claimed to be a full Blood Cherokee Indian. I have never known anything else. but that I was $\frac{1}{8}$ Cherokee Indian.

Mary Elizabeth Akers being first duly sworn, deposes and says:

My name is Mary Elizabeth Akers. I live at Blairstown, Mo. I was born in 1874 in Vernon Co., Mo. I claim through my father and his mother. My father was born in 1844. in Graves Co., Ky. He always lived in Ky. until he moved to Mo. His mother died in 1846 and she was about I don't know how old. She died in Bates Co., Mo. She lived in Ky. before she moved to Mo. She never lived any place else but Ky. before she came to Mo. that anyone ever knew of. My father and grandmother lived in amongst the white people when they were in Ky. My grandmother's mother probably lived with the Cherokee tribe of Indians as she was a full blooded Cherokee. My grandmother moved to Mo. in about 1845. I don't suppose my father and grandmother were ever driven away from the East with the Indians. I never heard my father speak of the treaty with the Indians in 1835. ~~I don't~~ ~~xxxxxx~~ I never heard my father say anything about an enrollment in 1851. My father and grandmother never received any money or land from the Govt. on account of their Indian blood.

Received and contents noted
will say I don't know on
what grounds we were rejected
unless it is because we are
not able to give the family
Indian name I expect that
will be impossible for us
to do as I am myself of the

Remember to have ever heard
our Indian name now in
regard to the paper to be made

the court of claims I don't
understand how to do it
I can only give the same that

I gave in my application
Except I can give further
evidence by a disinterested
man that he heard my
Grand father say that he was
one quarter Cherokee Indian
that mans name is Mr J. B. Martin
his evidence in Calhoun co
where he lives would be
unquestioned and now I am
honest in my belief that
all who are descendants of

Madam:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Hon. Guion Miller; Special Com.

Dear Sir:-

Yours of June 11th, in regard to Claim in the Eastern Cherokee fund, received, and in reply will say that I do not know why any of us were never enrolled. Neither can I tell if any of my ancestors were parties to the treaties of 1835 - 6 and 1846. Name of ancestor through which claim is made is Sarah Cox, daughter of Joseph Cox, whose wife was Diana Rich. Sarah Cox married Braselton Brown in Guilford Co., N. C., emigrated to Hendricks Co. Ind. in the early part of the 19th century, and lived there the remainder of their lives, so that would cover the dates you mention, viz- 1835 and 1851. None of my ancestors were slaves, as they were all white, with no connection with any colored people. In regard to any other information, will state that two of my first cousins by the name of Easterling proved up the relationship to the Cherokees in 1885 or 1886 and were allotted land in the Cherokee reservation, but remained there only a short time, one of them is dead and the other one did not preserve his papers. An attorney by the name of Cox, at Highpoint, N. C. proved up the claim for them, but whether he is still living there or not, cannot say. As stated in my application, only heard of this fund by accident early in the present year, and as the relationship had been proven at one time, thought possibly it could be again. Have been unable to find any one here who knows the Indian name, although it has been the common talk among my relatives that there was a strain of Indian blood in the family.

Hoping this will be of benefit to you in proving my claim and thanking you for your trouble, I remain

Yours Respectfully

Emily E. Mickerson being first duly sworn deposes and says:

I am 39 years of age; and I live in Indianapolis, Ind. I claim my Indian descent through my mother, Miriam Brown, before she was married. She died when she was 32 years of age. She died when I was 2 years old. I have heard my aunts, Dinah Easterling and Polina Stuckert Stalker talk about the Indian blood that was in my mother's family. They told me it was Cherokee Indian blood. My mother got her Indian blood through her mother Sarah Cox. She died in 1872 in Hendricks County. She was born in Guilford County, N.C. She was married down there and moved immediately to Ind. as all their children were born here. The great great grandmother of Sarah Cox was a full blood Cherokee Indian. This Indian lived in N.C. but we cannot find the name or any substantial records of this woman. The daughter of this Indian woman was Martha Garrison, ~~my mother's mother~~ Sarah Cox was the daughter of Dinah Rich. I have always understood that these old ancestors were full blooded Indians. Benj. Cox, my great grandfather was a white man. There is no colored blood in my family.

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

That I am 47 years of age. I claim my Indian descent through my father; my mother was a white woman. My husband is a white man. I think my father was 40 years of age when he died. He was born in Tennessee. Don't know what county but it was in the eastern part of the state. Don't know when he left there, but he went to Alabama. Don't know what part. He then went to Missouri (in 1853). My father never lived with the Indians as a member of the tribe that I know of. He claimed through his mother, Rebecca Ingals. She married Joel D. Lewis. I think he was an Indian too. My grandfather was 1/4 or 1/2 (don't know which). My grandmother was 1/2 Indian. Don't know whether they ever lived with the Indians as a member of the tribe or not. Don't know whether my father or his parents were ever on any roll. They never received any land or money from the government by reason of their Indian blood. None of my brothers have made application in this fund. About three years ago I made application to the Dawes Commission, but they got my dollar and that was all I heard of it. Goodenough was the name of the man to whom I made application. I first heard of this fund last February, at which time I filed my application. Never heard of it before. I am recognized as a white woman in the community where I live. Don't know whether my father was ever on any Old Settler roll or not.

Special to The Herald Courier

Abingdon, Va., Jan. 3.—After the regular prayer meeting at the Methodist church Wednesday night, a quarterly conference was held with Presiding Elder Eskridge in the chair. The work of the church and the various auxiliaries thereto, during the past quarter, was reviewed and considered satisfactory in most respects.

Very little was done in the way of recitations at the two female schools yesterday. Several of the teachers and many of the pupils have not yet returned from their holiday vacations.

A meeting of the stockholders in the Abingdon steam laundry, incorporated, is called for Tuesday evening, January 7, at seven o'clock, in the office of the company. The officers of this company are: J. P. Honaker, president; C. H. Jennings, vice-president, and D. T. Fuller, secretary and manager.

The asphalt roof on the new building for the Citizens' Bank and Trust Company is nearing completion. The remaining unfinished work is on the inside and will be completed as rapidly as possible.

The new board of supervisors will hold its first meeting next Monday. The main object in this meeting is to reorganize the body and elect a chairman. After that date the regular monthly meetings will be held on the fourth Monday.

Judge Pileggi came up from Bristol yesterday and went from here to Lebanon.

A. J. Huff, of Glade Spring, was a prominent visitor here yesterday. He reports that Rev. Mr. Nickle, of West Virginia, who has accepted a call to the pastorate of the old Glade Spring church, will arrive by the middle of the month.

The following letter, which was directed to the sheriff of this county, was recently received by Mr. Hortensine:

Caney, Kansas, Dec. 18, 1907.
Mr. Sheriff:

I want to know if you are acquainted with anybody in your county named McCracken or Bowman. These McCrackens are part Indians and lived there in 1860 and as far back as 1812. I would be glad to find out some of these people. They are entitled to quite a large sum of money, and we wish to find them so that the matter can be closed up at once. My grandfather was John McCracken, and he died near Abingdon some 25 years ago, at the age of 114, and his wife, Alice McCracken, died several years before he did. She was part Indian and was the daughter of old Black Hawk Bowman. Johnnie (as he was called) and Alice McCracken had a number of children, who would be very old if alive now. Some of them were Max, Robert, Samuel, Isom, David and Susan. Some of their children may be alive, if none of the above are. There was one of the family named Andy Hawk. He would know them if alive.

I am a daughter of David McCracken, who came west to Kansas. I will appreciate any information you can get.

Address, yours respectfully

My father died in 1903 and was 61 years old. My mother died in 1902 and was 58 years old. My father and mother were both born in McKinn Co., Tenn. My father's mother was born in McKinn Co., Tenn. My mother's mother was born in Cherokee County, N.C. My parents and grandparents through whom I claim were recognized as white people after they married into the Henderson and Lize family. My father and mother and my grandmother never got any money or land from the Government on account of their Indian blood. They were never enrolled, as I know of. My father's mother's name was Susan Chesquah or Susan Squirrel. Her father was an Indian Chief. His name was Chesquah. I never heard any other name for ~~xxxxxx~~ but Chesquah. My mother's mother ~~was~~ name was Margaret Cagga, and she married a Lize. Her father's name was Cagga. I never heard him called any other name. It might be spelled Caga, Cogy or Ceggy. In 1862 my mother and father and I were living in McKinn Co., Tenn. I never have seen my grandmothers. They died before I was born. I have heard my father and mother speak of the Indians being driven away. Some of them were moved away to Arkansas, but my tribe were allowed to remain. I mean by my tribe, my ancestors. My grandmother Susan Coltharp died in McKinn Co., Tenn. She was not my grandmother, she was my great grandmother.

I made a mistake in the above statement, my grandparents and, if you will allow me to read from the notes in a Bible I have here. I think I can give the genealogy correctly. These facts, however, only refer to my father's side, and are as follows:--

My father, Thomas J. Henderson, was son of Thomas J. Henderson, Sr., who was son of Susan Chesquah or Squirrel, who married Earn Coltharp or Colthron, who was a white man without any Indian blood.

But makes me think I have Cherokee Indian blood because Cagga and Chesquah were both Cherokee Indians. My mother and father told me so. I ~~xxxxxx~~ don't know whether my grandparents through whom I claim lived with the Indians or not. Both my grandparents through whom I claim married white people without any Indian blood. My mother told me that her grandfather was an Indian doctor. He came to see my mother's mother in 1845 is the last they ever heard tell of him. I have one brother, but I don't know whether he is living or not.

In reply to yours of 11 inst to Malissa Tiger, Appln. #
44523 will say, that she does not know why her parents were not
enrolled but presumes it was on account of their neglect. she has
always supposed that her grandmother Burton and Grandfather
Burton were enrolled, having so told her. Her Grandfather Burton
drew an annuity from wounds received in war in Georgia. She does
not know whether or not they were parties to the treaties of
1835-6 and 1846. She claims through her grandmother Sarah Burton
whose father was a Galaway and whose mother was a West and through
her grandfather John Burton. They lived in Georgia in 1835 and
moved to ~~Georgia~~ Texas about 1853. None were slaves. Our people
are white and Cherokee and pass as whites.

Jeff Davis,

Sir:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and thereafter that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Sir. Your Communication of June 11th last.
Recd, In answer I will state that I base
my claim for participation in the fund
to be divided with the Eastern Cherokee Indians
upon my Grand father Jonaway who was.
Full Blood Cherokee Indian, my Grand
mother Dinah Davis was a slave and
my father George Davis was the only child
of Jonaway by my Grand mother, I never saw
my Grand father Jonaway, and from what
my father always told me, Jonaway must
have died at least 75 years ago, and
therefore could not have been enrolled,
or participated in any fund divided out
to the Cherokee Indians, my Grand mother
being a slave had no chance of being
enrolled, consequently none of my ancestors
as far as I know were ever enrolled,
while it is a fact that I descended from
Jonaway who was a Cherokee Indian.

I pass as a colored man and was a slave
up to the time of emancipation in 1865

Dear Sir I am afraid the
letter I had written was
not written right & so will
write again. The reason my
father was never enrolled is
they told him that ~~any~~ one
could draw money but white
folks & so kept him from
it. & my grandfather was

killed before the war. I was
killed before the draft
came up. I had no other
relatives but my father
lived 5 miles west of
Dahlonega Ga. I pass as
colored. We moved up on
the mountain about 6
miles from home & lived
there after we were set free.
My brothers & sisters I never
saw about are only my half

brothers & half sisters on my
mother's side. I am the
only child on my father's
side he left her in time
of the war & lived in a
log hut to himself on the
same farm. after he left
my mother. I cannot
write nor read. I am telling
this to the best of my
knowledge. there were indians
living before not I think

Sir:

In the matter of the Eastern Cherokee Enrollment, will you please state whether you were acquainted with a Cherokee Indian by the name of Aeneas Ridge, who is said to have been raised at Tahlequah and educated there, and to have taught school at Tahlequah.

He is said to have died in 1895 by one account and in 1883 by another. The claim is now made that Aeneas Ridge was married to Lydia Ann Whitock, or some such name, and that he had a child born in 1881 by the name of Nellie Maud, who married Arthur Miller, and is now living at Joplin, Missouri.

I cannot find that Nellie Maud Miller, or her children, Fay Irene and Thelma Mildred Miller, have been enrolled by the Dawes Commission, and there are some other rather suspicious circumstances connected with the case and I would be very glad if you could throw some light upon the matter.

It is very important that I should receive the information at as early a date as possible, and if you have no personal knowledge of this man, Aeneas Ridge, I would appreciate it very much if you would make some inquiry about him. Also, if you could get me any information in regard to the Nellie Maud Miller claiming

Sir:

Answering your inquiry of Dec 2 with
reference to the claim of William and Miller
of Joplin, Mo. & her children will say
that Amos Ridge was a well known
Cherokee & was killed in 1882 or 1883.
Some years prior to that time he
was married to Nannie K. Daniels now
Nannie K. Felt of this place. Nannie
K. Felt & a number of children by
R. L. Felt are on your roll. Amos
Ridge was never married to Lydia Ann
Whitlock. This can be established by Mrs
Nannie K. Felt, J. P. Cunningham, Ross
Daniels or any number of reputable people
all of Tahlequah. I did not know him
personally but knew of him. He had
a negro & was scouting from that
time & was killed by them near Springfield,
Mo. I have no personal recollection
any of their claims and making application
for settlement before the Dawes Commission.
If you want any depositions taken, you

will give the proper notice I will be
glad to take them for you -

If I can serve you at any time,
command me

Yours very truly

Sir:

Relative to the application which you have filed on behalf of your children for participation in the Eastern Cherokee fund, please state whether ~~their~~ parents, or any of their grandparents, were ever enrolled with the Cherokees? Were any of their ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom they claim and where that ancestor resided in 1835 and 1851. Were any of their ancestors ever slaves? Do these children pass as white or colored in the community in which they live?

Give any other information obtainable tending to establish the right of these children to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

EASTERN CHEROKEES.
Rec. JUL 23 1908
No.

(C O P Y)

/Chisna, Alaska, June 23d - 08.

W. W. Waterhouse - Oshkosh, Wis.

Dear Sir:

Yours of May 14 just received, with request that I answer questions asked by Britton & Gray, which I will do as near as possible.

I am recognized as Indian, also my father, though some of the Dempseys married persons of negro blood. My father is dead - died when I was 1 year old, or rather he went to California then and died there. Mother married a negro and she is recognized as that. She has but a very little if any of that blood. Her mother was English, her father Spanish and Indian. My grandparents lived, and I think were born, in North Carolina. They were there in '34 and '35 I think. I have never been enrolled with the Eastern Cherokees, because after mother married my stepfather I left home and have been on the frontier most of the time, sometimes with the Pattawattamies and the Sioux, also among the Navajos. I have mined in the black hills and other camps before coming here, and so did not have it brought to my knowledge before. Neither father or mother were slaves, as they were not recognized as negroes I think until after some began marrying in that side. My father's mother was Cherokee Indian. Her name was Lockley or Locklan. His father was more French than anything else. I do not know as much about my people as I ought on account of being away from them since 10 years - only them occasionally - and what I know is by what I have heard mother and a few others tell. Dempsey Fields family and Bondinots of Tahlequah, Cherokee Nation (Oklahoma) are related to me, as are

-2-

many others. I also have relatives in North Carolina and Georgia. I had two cousins from Georgia in the Confederate Army. Further information can be had by writing to mother, Mary A. Perden, Bloomington, Mich. Jennie van Allen, Galien, Mich. She is a writer (white). Mr. Read, Editor of the Allegan Gazette, Allegan, Mich. I could give you the names of many that have known me out West. Postmaster at Valdez. Edmond Smith, attorney, and any of the officials. Board of Trade men, etc. Also Mrs. Mary Jeter, 437-49 St., Oakland, Cal., besides others every place I have been, but I suppose you want a personal history of my family and I suppose mother would be the only one to give it.

I am writing this to go on the return mail and hope it will reach you in good time.

Yours very truly,

(Signed) Melvin Dempsey.

P. S. I could give the Postmaster at Chisna as reference, but as I am Postmaster that would not do. But you can write to C. H. Kramer, mine owner; F. O. Austin, mail contractor, etc.

Madam:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.
